**Proposal for the  
purchase of a New  
Convention Ground for  
the Navapur Convention**

**NATIVE MISSIONARY MOVEMENT**

Images from the convention held in November 2019

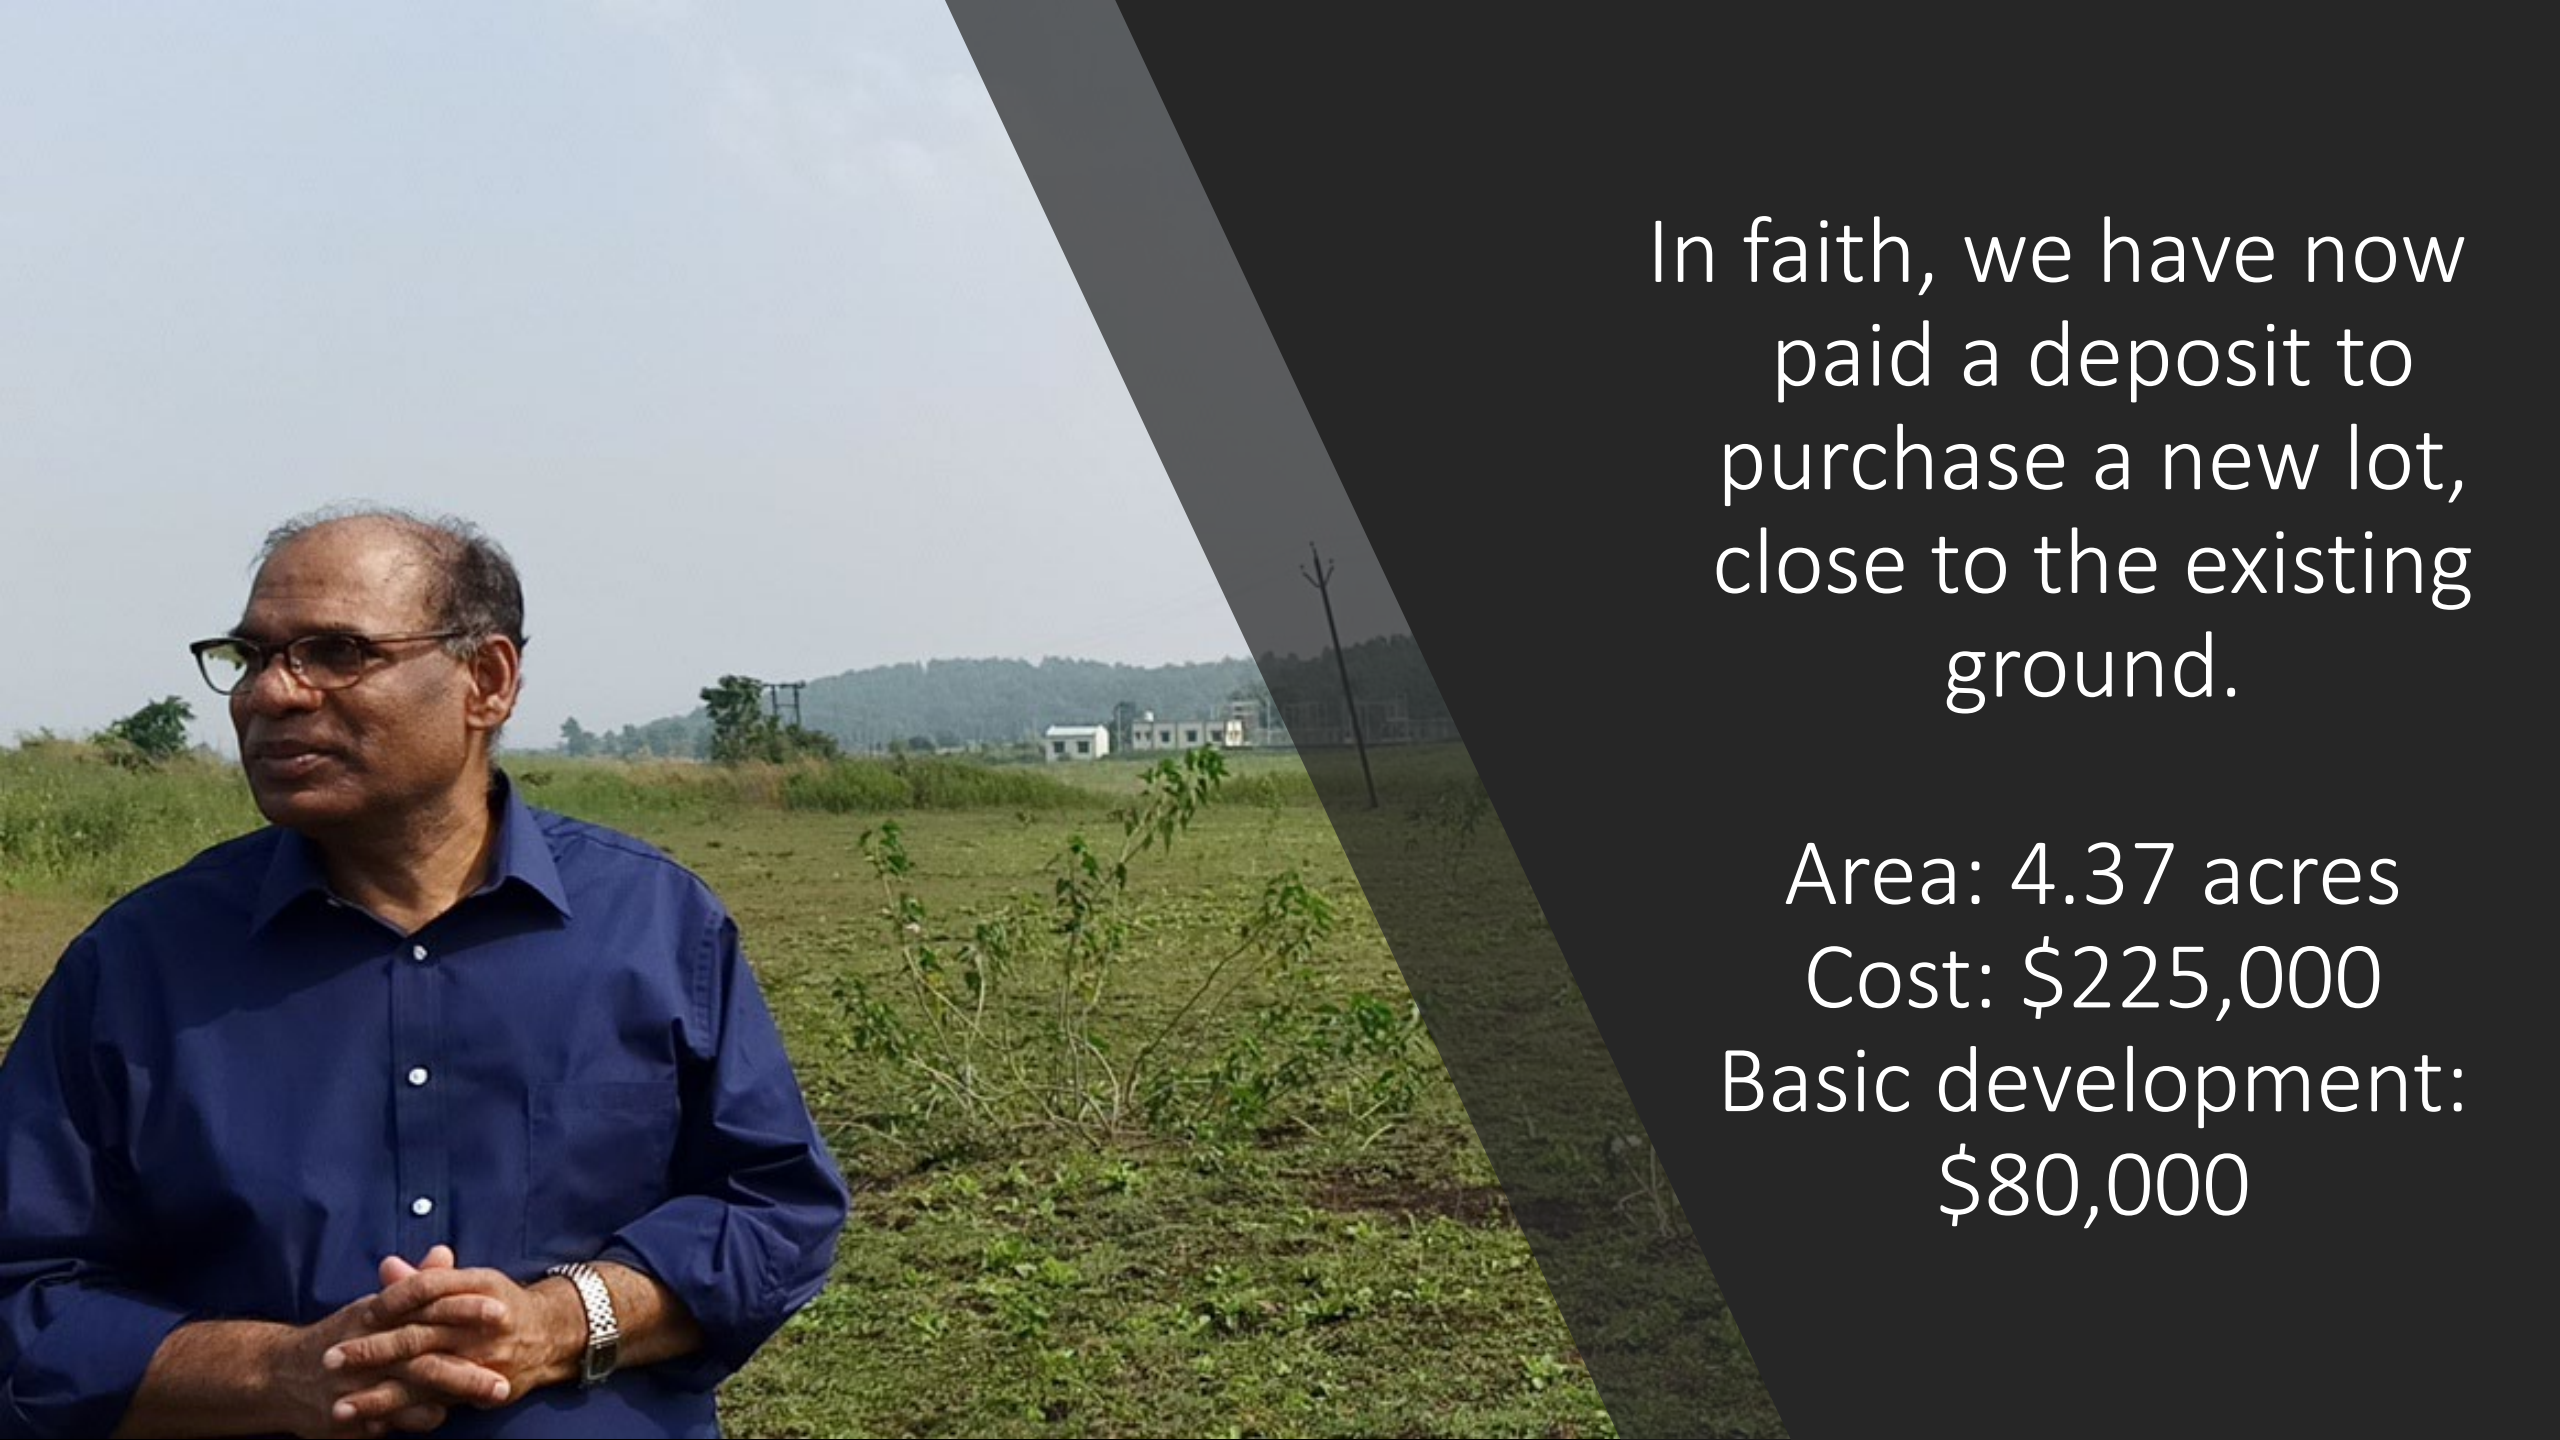

When the people gather to worship and pray in one accord, it is indeed heaven on earth! By God's grace this has now grown to be one of the largest annual meeting of its kind

At present, tents cover most of the ground and there is hardly any place for more people to be accommodated for the meetings. Besides there is the rising challenge of catering to the parking needs (once upon a time the lot used to be full of bullock carts, which people used to come to these meetings but today it is two and four wheelers)

In faith, we have now  
paid a deposit to  
purchase a new lot,  
close to the existing  
ground.

Area: 4.37 acres  
Cost: \$225,000  
Basic development:  
\$80,000

Praying in faith over  
the proposed site for  
the Navapur  
Convention

*For the LORD God is our sun and our shield. He gives us grace and glory. The LORD will withhold no good thing from those who do what is right. Psalm 84:11*

*Pray and Partner with us to  
meet this great need*
